

Golf Terrace B Neighborhood Roadway Reconstruction

March 28, 2015

Dear Resident:

Construction is scheduled to begin Apr. 11. If you missed the kick-off site meeting, another one is scheduled for Monday, Apr. 11, 5-6 p.m., at the Wooddale Church parking lot off Lexington Avenue. The project area will be divided into two stages:

- Stage 1 is W. 56th St. and all streets south of W. 56th St., including Concord Ave south of Lexington Ave. Construction schedule is Apr. 11-Jun. 30; however, you could see minor activity starting Apr 4.
- Stage 2 is all streets north of W. 56th St. Construction schedule is Jul. 1-Oct. 28.

City Extra Emails – the best way to be in the know! City Extra emails will be the best way for us to keep you informed of the construction schedule and work activities that directly affect you such as driveway access and water shutoffs. Please sign up for this service by going to our website, www.edinamn.gov/cityextra. Under Engineering Projects, select Golf Terrace B Reconstruction by checking the box. Scroll to the bottom and check the box that reads “I Agree to THE MINNESOTA DATA PRACTICES ACT” and click ‘Submit’. You will then be signed up to receive all emails that are sent out for this project. Emails before construction begins will be sporadic; after construction begins, weekly updates will typically be sent on Fridays. Do not have access to email? Let Engineering Specialist Sharon Allison know at 952-826-0449, and she will mail you a copy of the weekly updates.

Please be mindful of the following when construction gets under way:

- Safety is our No. 1 priority -- remind your children to stay away from construction sites, machinery, and stockpiled materials.
- Construction creates inconveniences, but we will do our best to minimize them.
- Consider delaying significant home improvement projects during construction; however, if you can't, please coordinate with Mohamed.
- On-street parking will not be allowed during construction.
- Check your front door daily for time-sensitive notices that informs you of blocked driveways, water-shut offs, etc. (notices will be posted the day before).
- Construction will create noise, dust and/or mud, depending on the weather;

Centerpoint Energy will continue to work on gas main and service replacements in Stage 1. Their work will be completed in approximately 3-4 weeks.

Mohamed Mohamed will be the on-site representative for this project. You can contact him at 952-826-0444 or mmohamed@EdinaMN.gov.

The City of Edina and Palda & Sons, Inc. thank you in advance for your patience and cooperation throughout the project!

Sincerely,

Carter Schulze, PE
Assistant City Engineer
