Hazelton Road Reconstruction Project

Dear Stakeholder:

Construction: Stage 2

The contractor has completed Stage 2 and will move on to Stage 3. Access has been restored from York Avenue to France Avenue via westbound Hazelton Road. Eastbound traffic from France Avenue to York Avenue is still restricted. Please follow the 70th Street detour. Access to Rue De France and Byerly's is now open from France Avenue.

Construction: Stage 3

Stage 3 will include construction of the southern half of the roundabout. This work is anticipated to take approximately one month.

Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.
