Hazelton Road Reconstruction Project

Dear Stakeholder:

Construction: Stage 3

The contractor is currently constructing Stage 3. The removals are complete and they have started the subgrade preparation.

Next week, crews will begin placing the storm sewer and preparing for concrete curbs and gutters for the following week of July 28.

Local Access

Eastbound traffic is still restricted from France Avenue to York Avenue until Stage 3 is complete. Rue De France and Byerly's are accessible from both directions. Please use the 70th Street detour to access Guitar Center, Yorktown Mall and Target.

Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.
