Hazelton Road Reconstruction Project

Dear Stakeholder:

Construction: Stage 2

The contractor has completed Stage 2 with the exception of the sidewalk between the two Rue De France entrances. They will begin placing the sidewalk July 7. With completion of this stage, westbound Hazelton Road from York Avenue to France Avenue has been reopened. France Avenue to York Avenue (eastbound) is still restricted until Stage 3 is complete.

Construction: Stage 3

Stage 3 will include construction of the southern half of the roundabout. The construction on this area will begin next week.

Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.
