## Hazelton Road Reconstruction Project

Dear Stakeholder:

### Construction: Stage 1

The contractor has completed a majority of the concrete work for Phase I. They will be placing bituminous pavement early next week.

### Construction: Stage 2

Stage 2 will begin on Thursday, May 29. This stage will include a full closure of Hazelton Road between France Avenue and the eastern Rue De France Driveway entrance. Access to Hazelton via York Avenue will be maintained throughout the duration of the project. It is anticipated Stage 2 will last approximately one month, weather dependent.

### Detour

Detour signage directing patrons to local businesses will be placed beginning next week. The detour route will direct patrons to use 70th Street and York Avenue to access local businesses.

### Pedestrian Access

We encourage pedestrians to use the promenade sidewalk and trail system and avoid the project area.

### Contact Information

Should you have any questions or concerns during the project, please contact Andrew Plowman at 763-287-7149 or email at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com)

### Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

### Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE  
Project Manager  
WSB & Associates, Inc.
