Hazelton Road Reconstruction Project

Dear Stakeholder:

Construction Begins: Stage 1

Construction activities have begun along Hazelton Road. The contractor has removed the pavement near the entrance of Guitar Center and the east entrance to Rue de France. Traffic is limited to one lane in each direction near this location. The contractor will begin grading the roadway next week and follow with concrete curb installation and bituminous pavement.

Stage 2

Stage 2 is scheduled to begin in late-May. To minimize the duration and cost of the project, a partial closure of Hazelton at France will take place from early June to early July. Businesses along Hazelton Road will remain open during construction and a detour will be posted. Further information will be available in the upcoming weeks.

Pedestrian Access

Pedestrians are encouraged to use the promenade sidewalk and trail system to avoid the project area.

Contact Information

Should you have any questions or concerns during the project, please contact Andrew Plowman at 763-287-7149 or email at aplowman@wsbeng.com

Safety

Safety is our No. 1 concern. Please use caution when traveling the area on foot or by car. Children are fascinated with construction operations, so please keep an eye on them. Expect delays and travel safely through the construction zone.

Who to Contact in an Emergency

9-1-1 for life or property-threatening emergencies.

Sincerely,

Andrew Plowman, PE
Project Manager
WSB & Associates, Inc.
