

Lake Edina Neighborhood Roadway Reconstruction

October 29, 2012

Dear Resident:

Please plan to attend an informational meeting about sidewalks from 7:30 to 8:30 p.m. Wednesday, Nov. 7 at the Public Works and Park Maintenance Facility located at 7450 Metro Boulevard.

The Edina Transportation Commission (ETC) recently reviewed a draft feasibility study for the Lake Edina Neighborhood Roadway Reconstruction Project. The ETC recommended the installation of a sidewalk along the east side of Normandale Road from West 70th Street to Hibiscus Avenue and along the north side of Hibiscus Avenue from Normandale Road to West Shore Drive. Please recall that sidewalks are no longer special assessed under the revised special assessment policy.

Please save the date of Dec. 11 for a project hearing before the City Council.

If you have any questions, please contact me at 952-826-0318 or cmillner@EdinaMN.gov or Engineering Technician Jamie Cynor at 952-826-0440 or jcynor@EdinaMN.gov.

Sincerely,

A handwritten signature in black ink that reads "Chad A. Millner".

Chad Millner, PE
Assistant City Engineer
