Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Project Schedule:

- Next week, crews will continue boulevard restorations in the Morningside A neighborhood including irrigation and pet fence repairs, grading and topsoil placement, and plant replacement. Please refrain from hiring an independent company to repair your damaged irrigation and pet fence systems as the City will not reimburse you for the cost of the repairs.
- The grading of Townes Road and Townes Circle will begin next week. Driveway disruption will be minimal and the crews will coordinate with you as they work.
- Signs for Sunnyside Road business access are in place directing customers to use the 44th Street alley.
- Please put your garbage and/or recycling out prior to 7 a.m. on your collection day as haulers are trying to complete their rounds before road work is started for the day.

All schedules are weather-dependent and are subject to change.
