Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Project Schedule:

- Paving is scheduled for next week Monday, on Sunnyside Road and Curve Avenue. A notice will be placed in your front door at least one day prior to the paving. You will not be able to park on the street during this operation. Paving crews move fast and you will be able to drive on the new pavement within 15 minutes after it is compacted with a rolling machine. Paving crews will direct you around the paving operations as required.
- Next week, crews will directional drill a watermain pipe from the end of the Townes Circle alley to Townes Circle. Crews will let you know via door hanger notice the day before work begins if access to your driveway is impacted.
- Signs for Sunnyside Road business access are in place directing customers to use the 44th Street alley.
- Please put your garbage and/or recycling out prior to 7 a.m. on your collection day as haulers are trying to complete their rounds before road work is started for the day.

All schedules are weather-dependent and are subject to change.
