Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Project Schedule:

- Next week, crews will continue sanitary sewer work along the property line of 4015 and 4043 Sunnyside Road to Meadow Road. Due to unforeseen delays, the intersection of Sunnyside Road and Curve Avenue will remain closed for approximately two more weeks to complete this work. Meadow Road will remain open during construction. The contractor will place appropriate traffic control measures, but use caution and drive slowly through the work zone.
- Parking along Sunnyside Road for businesses will still be available while the intersection is closed.
- Crews have finished grinding up the existing pavement into a gravel material on West 45th Street, Grimes Avenue and Sunnyside Road west of Curve Avenue. The excess material from West 45th Street is temporarily being stored on Sunnyside Road west of Curve Avenue.
- Crews will continue to place an above-ground temporary water piping system in the boulevards. The pipes will be buried at each driveway to allow continued access. The system will supply water to each home while the water mains in the street are being replaced. This system will connect to each home at the outside hose bib.
- Next week, crews will reconstruct water service pipes on West 45th Street. In instances where this work will impact driveway access, you will receive a door hanger the day before work will occur in front of your house. The notice will request that you move any vehicles you will need the next day out of the driveway by 7 a.m. The door hanger will direct you where you can temporarily park your vehicle.
- Please put your garbage and/or recycling out prior to 7 a.m. as private haulers are trying to complete their rounds before work is started for the day.
- All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Visit the project website at www.EdinaMN.gov/morningsidea_whiteoaks or call me at 952-529-2317 or kmontebello@sehinc.com.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Kelsey Montebello
City of Edina On-site Representative
