Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Project Schedule:

- Next week, crews will continue boulevard restorations in the Morningside neighborhood including irrigation and pet fence repairs, grading and topsoil placement, and plant replacement. Please refrain from hiring an independent company to repair your damaged irrigation and pet fence systems as the City will not reimburse you for the cost of the repairs.
- Next week, on Townes Road and Townes Circle, crews plan to complete grading on Monday. Driveway disruption will be minimal and the crews will coordinate with you as they work. When the grading is completed, crews will install concrete curbs and gutters. This will be followed by pouring concrete driveway aprons. To allow enough time for the concrete to cure, driveways will be inaccessible for three days. The day before the work is to occur the contractor will notify you using a door hanger notice. Between 7 p.m. and 7 a.m., you will be allowed to park on the street, otherwise, the notice will have a list of alternative parking areas. Driveways will re-open once the concrete cures and a gravel ramp is added.
- Signs for Sunnyside Road business access are in place directing customers to use the 44th Street alley.
- Please put your garbage and/or recycling out prior to 7 a.m. on your collection day as haulers are trying to complete their rounds before road work is started for the day.

All schedules are weather-dependent and are subject to change.

Communications:

Have questions or comments regarding this project? Visit the project website at www.EdinaMN.gov/morningsidea_whiteoaksc or call me at 952-529-2317 or kmontebello@sehinc.com.

- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

The City of Edina and Northwest Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Kelsey Montebello
