Morningside A and White Oaks C Neighborhood Roadway Reconstruction

Dear Resident:

Private Utility Reconstruction Schedule:

CenterPoint Energy has finished gas main replacements and will continue with gas service replacements in your neighborhood. Their work will be completed in approximately three weeks. If you have questions regarding this work, please contact Ryan Urich at 612-321-5054 or ryan.urich@centerpointenergy.com.

Project Schedule:

- Beginning tomorrow, May 10, the intersection of Sunnyside Road and Curve Avenue will close for approximately three weeks to complete sanitary sewer and water main pipe work. Some of you, including businesses, will experience temporary water shutdowns. The contractor will notify you of the water shutdown by placing a flyer in your front door the day before the scheduled shutdown. Please begin checking your front door regularly for these time sensitive notices.
- Parking along Sunnyside Road for businesses will still be available while the intersection is closed.
- The contractor will complete the intersection work before moving on to other areas in the Morningside A Neighborhood Roadway project area.

All schedules are weather dependent and subject to change.

Remember, on-site parking will not be allowed in areas where crews are actively working. This keeps the streets open for construction traffic and emergency vehicles.

Communications:

- Have questions or comments regarding this project? Call me at 952-529-2317 or kmontebello@sehinc.com.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information. The City of Edina, Northwest Inc. and I thank you for your patience and cooperation throughout the project.

Sincerely,
Kelsey Montebello
