2016 Neighborhood Roadway Reconstruction

Parkwood Knolls B Neighborhood

Dear Resident:

Some streets in your neighborhood are on a list of roadway reconstruction and utility improvement projects being considered by the City of Edina for the summer of 2016. The enclosed map identifies your project area. We will hold an open house Monday, September 9, to provide information about this project and others being considered for 2015 and 2016.

The open house will be held 7 to 9 p.m. at the Public Works & Park Maintenance Facility, 7450 Metro Blvd. We will discuss how projects are prioritized for reconstruction, funding, typical construction timelines, how you will be impacted, and how you can prepare.

Neighborhood roadway reconstruction projects are funded by special assessments and respective City utility funds. We have included with this letter a history of past special assessments in the City.

The City utility funds cover approximately 40 to 50 percent of a typical project; residents pay the remaining portion in a form of special assessment that you will have an option to pay over 15 years. The special assessment typically includes cost of the new roadway. Utility upgrades such as water main, sanitary sewer, storm sewer and concrete curb and gutter are funded through the utility funds and are not assessed to property owners.

Sidewalks and streetlights are not assessed and are not included with every project. A future questionnaire will help us evaluate the need for sidewalks and streetlights.

If you cannot attend the open house, information presented will be available on the City of Edina's website following the meeting (www.EdinaMN.gov/FutureProjects).

If you have any questions, please contact me at 952-826-0318 or cmillner@EdinaMN.gov or Engineering Technician Jamie Cynor at 952-826-0440 or jcynor@EdinaMN.gov.

Sincerely,

Chad Millner, PE
Assistant City Engineer
