Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

In Stage 1, mowing crews came in on Tuesday. They will continue to do so on an as-needed basis.

The City and the contractor are aware of the seeding conditions in stage 1. The contractor is required to maintain the seeded area including watering, mowing and weed removal. The City will work with the contractor to ensure the grass grows to meet standards. An herbicide treatment will be applied mid-September followed by additional seeding.

In Stage 2, seeding crews were in on Tuesday completing its work. In preparation for the final layer of pavement, iron was raised along Beard Avenue and Beard Place.

Next week, crews will be in on Tuesday to pave the final layer in Stage 2. Street access will be limited and on-street parking will not be permitted during this time. Residents should pay close attention to notices left on front doors with information pertaining to the work being performed.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600.
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
