Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

Crews continued restoration efforts in Stage I this week. Boulevards were stripped, new top soil is being placed and irrigation system and pet fence repair began. Next week, crews will continue with the restoration on Stage I.

In Stage II, the existing asphalt on Beard Avenue and Beard Place was reclaimed and driveway removals were started. Hydrant and gate valve replacement and sump drain installation began on Wednesday.

Next week, water main improvements, sanitary sewer repairs and sump drain installation will continue on Stage II. Residents in Stage II should pay close attention to their front doors for notices about driveway accessibility, roadway accessibility and water shut-offs.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
