Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy has completed its work on this project. Questions or concerns regarding CenterPoint Energy's work should be directed to its customer service.

Crews began the week by grading all of Stage 1 in preparation for the first layer of pavement. Paving started Wednesday morning and continued into Thursday. Work in Stage 2 started Wednesday when crews prepared to reclaim Beard Avenue and Beard Place. The restoration portion of Stage 1 will start on Friday, June 24.

On Monday, crews will begin reclaiming and performing driveway removals on Beard Avenue and Beard Place. Watermain improvements and sump drain installation will also begin. Residents should pay close attention to their front doors for notices in regards to driveway accessibility, roadway accessibility and water shut-offs as Stage 2 gets underway.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
