Strachauer Park A Neighborhood Roadway Improvements

Dear Resident:

CenterPoint Energy crews are working on gas main and service upgrades throughout Stage I. Questions or concerns regarding this work should be directed to CenterPoint Energy customer service.

Crews continued installing sump drain pipes on Ewing Avenue this week and are near completion on the south end of the street. Grading on Chowen Avenue also began (see photo below) and will continue next week.

Next week, crews will begin grading the roadway on Ewing Avenue once all of the utility work is completed. Hydrant and valve replacements will also begin on Chowen Avenue.

Please routinely check your front door for time-sensitive notices for water shut-offs, driveway access, etc.

All schedules are weather-dependent and are subject to change.

Communications:

- Have questions or comments regarding this project? Call me at 952-826-0448 or amoe@EdinaMN.gov
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

ENGINEERING DEPARTMENT

7450 Metro Boulevard • Edina, Minnesota 55439
www.EdinaMN.gov • 952-826-0371 • Fax 952-826-0392

- Visit the project site at www.EdinaMN.gov/strachauer_park_a.

Please encourage your neighbors to sign up for City Extra as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina and Palda & Sons, Inc. thank you for your patience and cooperation throughout the project.

Sincerely,
Alex Moe
Engineering Technician
