Tracy Avenue, Valley Lane and Valley View Road Intersection Improvements

Valley Lane at Tracy Avenue/Valley View Road is scheduled to re-open to traffic by Monday, August 29. Starting that same day, Valley Lane is scheduled to be closed at the railroad tracks east of Limerick Drive for Canadian Pacific Railway to replace the railroad crossing at that location. The full closure is expected to last two days and to reopen to traffic by August 31.

Eastbound traffic will be detoured south on Valley View Road to southbound Antrim Road, to eastbound W. 70th Street, north on Normandale Road, east on W. 66th Street and north on Ridgeview Drive. Westbound traffic will be detoured in the reverse direction.

Next week crews will begin placing concrete curb and gutter on Valley Lane. General site grading for bike lanes and sidewalk will continue throughout the week.

All schedules are weather-dependent and are subject to change.
