Tracy Avenue, Valley Lane and Valley View Road Intersection Improvements

Dear Resident:

Project Schedule

Next week crews will shift traffic to the east side of Valley View Road and begin removing the pavement and aggregate base in preparation for Phase II. New pavement and aggregate base are being placed in Phase I in preparation for the lane shift. The roadway will be open during the process. Please drive cautiously through the area.

After the Memorial Day holiday weekend, crews will construct a temporary pedestrian and bike path on the east and south side of Valley View Road and Valley Lane. The path may be closed periodically during utility installation.

Based on the current construction schedule, **Valley Lane will be closed the second week of June for the majority of the project.** Vehicle and pedestrian traffic will need to use alternate routes as the existing pedestrian bridge and box culvert will be removed.

Site safety is extremely important during construction. Please slow down when approaching the work zones and share the road with pedestrians, bicyclists, and other motorists during construction.

All schedules are weather-dependent and are subject to change.

Communications

- Moving forward, I will be the City's project contact. Have questions or comments regarding this project? Call me at 651-888-9111 or kranderson@sehinc.com.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends – call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.

Please encourage your neighbors to sign up for City Extra, as this will be our primary means of communication throughout the project. Visit www.EdinaMN.gov/CityExtra for more information.

The City of Edina, Minger Construction and I thank you for your patience and cooperation throughout the project.

Sincerely,

Kyle R. Anderson, PE
City of Edina On-site Representative
