Tracy Avenue, Valley Lane and Valley View Road Intersection Improvements

Dear Resident:

Project Schedule

Site safety is extremely important during roundabout construction. Please slow down when approaching work zones and share the road with pedestrians, bicyclists and other motorists. Some near misses have occurred due to excessive speeds through the construction zone.

Next week, crews will continue grading the regional trail and road base to prepare for concrete curbs, gutters and pavement on the west side of Valley View Road. Residents in this area will have access to their driveways but minor delays may occur. Crews will also begin work at the box culvert that carries Nine Mile Creek under Valley Lane.

Based on the current construction schedule, **Valley Lane will close starting June 20 for the majority of the project.** Vehicle and pedestrian traffic will need to use alternate routes as the existing pedestrian bridge and box culvert will be removed.

All schedules are weather-dependent and are subject to change.

Communications

- Have questions or comments regarding this project? Contact me at 651-888-9111 or kranderson@sehinc.com.
- Emergencies – call 911
- Non-emergencies after hours during the week and weekends, call 952-826-1600
- Have special events or home improvement projects planned or upgrading your service pipes during construction? Coordinate with me.
- Visit the project website at www.EdinaMN.gov/Nine-Mile-Roundabout.

The City of Edina and Minger Construction thank you for your patience and cooperation throughout the project.

Sincerely,
Kyle R. Anderson, PE
City of Edina On-site Representative
