## Valley View Road Reconstruction (McCauley Trail to Mark Terrace Drive)

January 13, 2015

Dear Resident:

As you may be aware, Valley View Road from McCauley Trail to Mark Terrace Drive will be reconstructed beginning spring, 2015. There is also a storm water issue near the intersection of Sally Lane and Paiute Pass. This project gives us an opportunity to address this issue.

This project will install a new trunk storm sewer pipe along Sally Lane from Paiute Pass to Valley View Road. The pipe will be installed on the west side of Sally Lane, which will require replacing portions of the roadway. Additionally, your existing water service pipe and sanitary sewer service pipe may be impacted by this work. These impacts will have no monetary cost to you. We will coordinate this work with you after we award the project to a contractor.

To learn specific details about the Valley View Road project, please visit the City of Edina's Valley View Road Reconstruction website at <http://edinamn.gov/index.php?section=valleyviewroad>.

### Be in the know!

Remember, the best way to keep up with project information is "City Extra" emails. If you haven't done so already, visit the City of Edina's website at [www.EdinaMN.gov](http://www.EdinaMN.gov) and sign up for these free notifications.

Please feel free to email Andrew Plowman at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com) or call at 763-287-7149. Or, you can email me at [cmillner@edinamn.gov](mailto:cmillner@edinamn.gov) or call at 952-826-0318. Please include your street address on any email correspondence to help us track the comments.

Sincerely,

Chad Millner, P.E.  
Director of Engineering
