Valley View Road Reconstruction Project

Dear Resident:

Stage 2 (Valley View Road – McCauley Trail to Braemar Boulevard)

Other than a few short sections, the contractor has placed all the curbs and gutters and the base of pavement along the project. Crews have started grading for the sidewalk and will start placement next week. They will also place concrete driveway aprons next week. You will receive notice about not parking in your driveway during that time.

Project Detour

Detour signage is in place to route thru-traffic north on Valley View Road. Please adhere to the detour if your destination is on Valley View Road north of Mark Terrace Drive.
