**Tracy Avenue (Benton Avenue to Vernon Avenue) Reconstruction Project**

Dear Residents:

**Sanitary Sewer**

The contractor has begun repairing segments of the existing sanitary sewer. Some of the sanitary sewer is over 20' deep and will require them to use trench boxes to access the pipe. They may need to use the entire roadway width to excavate. Please be extremely careful when walking or driving near these locations.

**Centerpoint Energy**

Centerpoint Energy crews will be on-site providing maintenance to the gas main and replacing services to certain residents.

**Detour**

The official detour will be Olinger Boulevard to and from Vernon Avenue, from the north and south, and Hansen Road to Vernon Avenue from the east. Tracy Avenue will be open for local residents only.

**Who to Contact with Questions and Concerns**

Please call me, Andrew Plowman, WSB's Project Representative at 763.287.7149 to discuss any concerns or questions you might have regarding the project or email me at [aplowman@wsbeng.com](mailto:aplowman@wsbeng.com). Or you may contact the project inspector, George Bender at 612.360.1321

**Safety**

Please remind children to stay away from the construction sites. Safety is our number one concern.

**Who to Contact in an Emergency**

911 for life or property-threatening emergencies.

**Special Events or Access Needs**

Please call me if you have special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

**Irrigation, Pet Containment, and Driveway Heating Systems**

Please mark the location of these systems near both sides of the existing blacktop roadway. Contact me if you have any questions about how best to locate and mark your system. The markings will help minimize damages.

**Communications**

In addition to the City Extra emails you can follow us on Twitter@TracyAvenueProj.

All dates are approximate and is subject to delays caused by inclement weather.

Sincerely,

Andrew Plowman, PE  
Project Manager
