## **VIKING HILLS NEIGHBORHOOD RECONSTRUCTION**

Dear Residents:

### **Vernon Hills Road, Vernon Court and Gleason Court:**

Crews are working on grinding up the existing roadway into gravel. This grinding process will be a moving operation; crews will be shaping and compacting the material in place as the machine moves along. The roadway is open to traffic during this work, but minor delays can be expected while the work is taking place.

Next week crews will begin shaping and grading the streets. Again, this is a moving operation and the roadway will be open to traffic as the contractor grades the streets in preparation for the new pavement. Crews hope to have the first layer of pavement in place within the next 2 weeks.

### **Arctic Way, Polar Circle, and Glacier Place:**

Crews have almost completed installing the new sump drain tile line behind the existing curbing on Arctic Way. They will move from Arctic Way to Polar Circle and then to Glacier Place.

The grading and paving crews will begin on these streets after completion on Vernon Hills Road, Vernon Court, and Gleason Court.

### **Irrigation and Pet Containment**

If you have an irrigation system or a pet fence, it may be damaged during construction. If your system is damaged from construction, the contractor has a kit to temporarily repair damaged area so the rest of your irrigation will still work. Damages will be repaired to these systems by the contractor just prior to site restoration, towards the end of the project.

### **Safety**

Please remind your children to stay away from construction sites, construction machinery, and stockpiled materials. These sites, machines, and materials can be dangerous. Job site safety is our number one concern.

### **Who to Contact in an Emergency**

During a life or property-threatening emergency, call 911. You may also call the Edina Police's non-emergency phone at 952-826-1600 for assistance. Dispatch has a contact list for the project.

**Who to Contact with Questions and Concerns**

Please feel free to contact me if you have any questions or concerns. I can be reached in the office at 952-826-0444 or [akuznia@EdinaMN.gov](mailto:akuznia@EdinaMN.gov)

Please encourage your neighbors to sign up for City Extra emails.

Sincerely,

Aaron Kuznia
