**RE: 2012 Street Reconstruction Projects**

Dear Resident:

The City of Edina has initiated the process of roadway and utility improvements for the summer of 2012 for your neighborhood. The first step is to have an open house to familiarize you with the City's process for street reconstruction.

You are invited to attend an informational meeting on Monday, September 20, 7:00 p.m., at the new Public Works and Park Maintenance Facility, located at 7450 Metro Boulevard, see attached map on the back. The meeting will consist of a short presentation starting at 7:15 p.m. with question and answer to follow. The presentation will cover topics such as "How are streets selected for reconstruction; Who funds the project; Special Assessment; What can I expect during construction; How can I stay informed." The exact amount that you will be assessed for this project will not be available in time for the open house; however, based on past projects, you can expect the amount to be between \$8,000 to \$12,000.

To prepare for the meeting, please review the enclosed brochure "A Guide to Edina's Street Reconstruction Process". Also, for additional information on our Street Reconstruction process visit our website at <http://www.CityOfEdina.com/FutureProjects>.

Please contact Assistant City Engineer, Jack Sullivan if you have any questions or if you are unable to attend and would like more information on the process. Jack can be reached at [jsullivan@ci.edina.mn.us](mailto:jsullivan@ci.edina.mn.us) or 952-826-0445.

Sincerely,

Wayne D. Houle, P.E.  
Director of Public Works  
and City Engineer
