

OFFICIAL HOSTS OF THE USPCA 2014 NATIONAL DETECTOR DOG TRIALS

We Need Your Support

The Minneapolis/St. Paul Airport Police Department and Edina Police Department are proud to announce that we have been selected to host the 2014 United States Police Canine Association (USPCA) National Detector Dog Trials. This event will be held May 4 - 7, 2014. We are excited and honored to have the opportunity to partnership with the USPCA and our communities by bringing the most loyal crime fighters to compete for the title of "Top Dog."

These highly skilled and expertly trained police dogs will be competing against one another as they are judged on their performances to seek out and find illegal drugs and explosive materials. But we need your support! As the host agencies, we are looking for sponsorships to make this national event a huge success for both our police dogs and our community. On behalf of the USPCA, we are seeking businesses, civic organizations and individuals to sponsor this event to help defray the costs. These costs include awards, nightly hospitality for competitors, judges and scorekeepers expenses & fees, and competition equipment.

Elite Corporate Sponsorship \$6,000 or more: Our Elite Corporate Sponsor will receive a business banner which will be displayed every evening in the hospitality area, at all competition venues, and at the public demonstration for everyone to see. We will also display any promotional gifts or flyers provided to us. Our Elite sponsor will receive advertisement in all printed materials and will have an opportunity to speak at the public demonstration or during the awards banquet. Your company will be linked to all social media related to the event.

Corporate Sponsorship \$1,000: Our Corporate Sponsor will receive a business banner which will be displayed at our hospitality area and public demonstration. Corporate Sponsors will also receive recognition in our competitor packets and public demonstration program. Your company will be linked to all social media related to the event.

Hospitality Sponsorship \$500: Our Hospitality Sponsor will receive a business banner which will be displayed in our hospitality area and recognition in our competitor packets and public demonstration program.

K9 Team Sponsorship \$100: Sponsors will receive a certificate of appreciation and thank-you card from one of the competing K9's and their handler.

Raffle Items Items we can use during the event to assist in offsetting costs.

The USPCA Foundation is a 501(c)3 non-profit organization. Checks should be made payable to the USPCA Foundation, Inc.
