Staff present: Gordon Hughes, City Manager; Heather Worthington, Assistant City Manager; Wayne Houle, City Engineer/Public Works Director; and Debra Mangen, City Clerk.

Mayor Hovland stated the purpose of the meeting was to allow Council and Commission to discuss Green Step Cities Pilot Program in which the City has been participating. Mayor Hovland asked Chair Plunkett Latham to report on the Pilot.

Chair Plunkett Latham gave a brief report on the Green Step Pilot:

Edina chosen as one of five Cities, St. Louis Park, Bloomington, Falcon Heights & Victoria

Environmental objectives included: reduction of greenhouse gas emissions, protection of natural resources and support of healthy living. Work goals were adopted and ECC recommended 14 best practices:

Efficient existing public buildings

Efficient existing private buildings

Comprehensive Plan

Complete Green Streets

Environmentally preferable purchasing policy

Urban forest – increase city tree and plant cover

Efficient storm water management

Green infrastructure

Improve surface water quality

Managing solid waste

Improve air quality

Benchmarks and community involvement

Green business development

Renewable energy

Chair Plunkett Latham presented a possible program developed by the Recycling and Solid Waste Working Group of the ECC entitled "Art on Bins" Council requested a formal response be obtained from the Energy & Environment Commission and brought back to the Council.

The Council and Commission discussed the Green Step Pilot Program. A final version will be brought to a future Council meeting. The Council thanked the Energy and Environment Commission for their hard work on the project.

The Mayor adjourned the work session at approximately 6:35 p.m.

Respectfully submitted,

Debra A. Mangen, City Clerk
