Art Academy

Art Academy originated at the Art Center in 1987 by Margaret Gust and Diana Hedges to meet the needs of students who exhibited talent in the visual arts. These classes are designed to give optimum individualized guided art education.

Admittance to Art Academy is by application only. Portfolios are not a mandatory requirement, but are helpful in selecting students.

The program consists of 4 sections. The first is for 2nd-4th grade students. The second is for 4th-6th grade students. The last two are for 6th-10th grade students.

Classes may include field trips and some additional time commitments outside of class. We request that the student make a one year commitment to Art Academy after one trial session.

We appreciate the support of parents and thank them for their encouragement and positive reinforcement of our programs. If you have further questions, please call us at 952-903-5780.

Application for Edina Art Center Art Academy

Date _____

Name _____ *Phone* _____

Address _____ *City, State, Zip* _____

Parent(s) Name _____ *E-Mail* _____
