

Transportation Commission Bylaws

Section 1: Introduction

The bylaws outlined below are approved procedures for the Edina Transportation Commission. Members should review and understand City Code Chapter 2, Article III, Division 1 and Chapter 2, Article III, Division 9 included in the appendix of these bylaws. In the event of a conflict between the City Code and the Edina Transportation Commission bylaws, the City Code will prevail.

Some components of these bylaws are common across all City boards and commissions. From time to time the City Council may make changes to board and commission bylaws and will notify the board and commission of these changes. Boards and commissions should consult with their staff liaison if they want to propose a change to the bylaws. Proposed bylaw amendments should be announced one meeting prior to voting on the proposed change. Bylaw amendments require the approval of a majority of the voting Edina Transportation Commission members and approval by the City Council.

In addition to the City Code and these bylaws, the Edina Transportation Commission will be guided by those policies and procedural documents applicable to the Edina Transportation Commission or City advisory boards in general. Copies of these documents will be made available to members at the beginning of their service with the Edina Transportation Commission.

Committees or Working Groups may be established by a majority vote of the Edina Transportation Commission to study issues in greater depth and report findings. Committees or Working Groups present their analysis to the Edina Transportation Commission for discussion and recommendations. The Edina Transportation Commission has the sole authority to make final recommendations on all matters on which a Committee or Working Group has given guidance. The Edina Transportation Commission defines the scope and the duration of the Committee or Working Group's mission. In no case may the Committee or Working Group exceed the authority granted by the Edina Transportation Commission.

Committee and Working Group participants may not include enough voting Edina Transportation Commission members to constitute a quorum for the Edina Transportation Commission. Committees or Working Groups may be designated as standing (ongoing) or temporary in nature.

Definitions

Committees and Working Groups may be comprised of two or more people, one of whom is the Chair appointed by the Edina Transportation Commission. A Committee is comprised of current Edina Transportation Commission members only. A Working Group is led by an Edina Transportation Commission member, but will also include members of the public.

- Furthering public awareness and acceptance of bicycling as a fun, safe, convenient, healthy and sustainable mode of transportation and form of recreation, year around; and
- Working collaboratively with other organizations to advance our mission for a progressive bicycle-friendly community where everyone can integrate cycling into their daily lives.

Bike Edina has established bylaws that are consistent with the intent of this section. Amendments to the Bike Edina bylaws shall be made by a majority vote of the Bike Edina members and approved by a majority vote of the Edina Transportation Commission. Bike Edina will submit an annual work plan to the Edina Transportation Commission by July 1 of each year for review and approval.

Meeting and activities of Bike Edina shall be suspended if no member of the Edina Transportation Commission is available to serve on Bike Edina or if the minimum number of regular Bike Edina members cannot be established. Section 8: Communication

Applicability

This section applies to all types of media and communication methods including face-to-face, telephone, email and social media.

Communication Between Members Outside of Meetings

Edina Transportation Commission related communication between members when a quorum of voting members is present constitutes a violation of Open Meeting laws if it takes place outside of publicly-noticed meetings. Members are prohibited from discussing Edina Transportation Commission business in such a situation. Since email communication is common outside of meetings, the following email protocol is adopted:

- Any email communication intended for a majority of Edina Transportation Commission members should go through the City Staff Liaison so that an appropriate record can be established.
- Members should not respond “reply all” to group messages.
- Members should not blind copy (bcc) other members.

Members must not engage in a serial discussion of Edina Transportation Commission business. A serial discussion occurs when members discuss official business with a majority of voting members through successive communications. Serial communication can occur through a combination of communication methods such as face-to-face, email, telephone or on a social media site.

Communication with the Public Outside of Meetings

Edina Transportation Commission members are encouraged to share their work with members of the public within the guidelines noted in the paragraph below.

Transportation Commission Bylaws

When communicating Edina Transportation Commission business with the public, members should understand and convey the following:

- The deliberations and decisions of the Edina Transportation Commission will be based solely on information contained in the public record presented to all Edina Transportation Commission members participating in the deliberation or action.
- The member's comments do not represent the opinion or viewpoint of other commissioners or the Edina Transportation Commission as a whole.

Members should exercise care not to communicate how they intend to vote on any pending matter or give the appearance any matter has been pre-decided.

Public Announcements and Press Releases

The City's Communications and Technology Services Department will approve and coordinate any public announcements, press releases or other media contact desired by the Edina Transportation Commission.

Section 9: Financial Transactions

All financial expenditures by the Edina Transportation Commission must relate to the Edina Transportation Commission mission and be covered under the Edina Transportation Commission budget. All expenditures must be approved in advance by a majority of the voting members. The City Staff Liaison is responsible for ensuring that all approved expenditures or reimbursements meet the criteria above as well as other City financial policies. Expenditures that do not meet the criteria above will not be reimbursed. The Edina Transportation Commission does not have the authority to execute contracts or to otherwise financially obligate the City of Edina. Any contract related to Edina Transportation Commission business will be managed by the City Staff Liaison and may be subject to City Council approval.

Section 10: Ethical and Respectful Conduct

Conflict of Interest

Members may not use their position on the Edina Transportation Commission for personal benefit. The interests of the Edina Transportation Commission must be the first priority in all decisions and actions. Any member who has a financial interest in, or who may receive a financial benefit as a result of, any Edina Transportation Commission action or decision must disclose this fact as a conflict of interest. A member who has disclosed a conflict of interest should abstain from discussion and voting on the matter.

Gifts

Edina Transportation Commission members may not receive personal gifts from any "interested person" in conjunction with their board or commission duties. An "interested person" is a person, or representative of a person or an association, who has a direct financial interest in a recommendation under the Edina Transportation Commission's purview. This section does not apply to lawful campaign contributions. The Edina Transportation Commission may recommend acceptance of general gifts or donations through the City's donation policy.

Transportation Commission Bylaws

Respectful Behavior

The City of Edina is committed to providing a work environment free from violence for all elected and appointed officials, employees and visitors. Violence and threats may include, but are not limited to:

- Any act which is a physical assault

The Chairperson and City Staff Liaison have the right to call for the immediate removal of anyone who threatens or commits an act of violence on City property.

Respectful behavior also includes how Edina Transportation Commission members relate to each other, City staff and members of the public. Members share a joint responsibility in modeling, monitoring and addressing behavior within the group.

During Edina Transportation Commission interactions, members should strive to:

- Treat people with courtesy, politeness and kindness
- Encourage others to express their opinions and ideas
