**MAY 2021**

*Nuqul 8, Mawduuc 5*

**HIMILOOYINKA  
MAGAALADA:**

## Magaaladu waxay u shaqeyneysaa inay dib uga cusbooneysiiso axdiyadii midab-kala-sooca ahaa ee hantida dadweynaha

### Edina waxay ku biiri doontaa Mashruuca Just Deeds si ay uga Caawiso Milkiilayaasha Hantida Shaqooyinka la midka ah

Waagii hore, axdiyada takoorka ayaa loo isticmaali jiray si looga ilaaliyo dadka midabka leh inay iibsadaan guryaha xaafadaha Minnesota qaarkood. Ardiyadu waxay keeneen bulshooyin lakala soocay oo saameyn xun ku yeeshay dadka midabka leh, oo ay kujirto la'aanta helitaanka waxbarasho tayo leh, booliska, beeraha nasashada iyo gaadiidka dadweynaha.

1948kii, Maxkamadda Sare waxay xukuntay in axdiyada aan la fulin karin. Markay ahayd 1953, Sharci-dejinta Minnesota ayaa mamnuucday adeegsiga xayiraadaha midab-kala-sooca ee warqadaha dammaanadda. Laakiin axdiyadu waxay caadi ka ahaadeen inta badan waddanka illaa 1968, markii Sharciga Guriyeynta Cadaaladda ee federaalku uu si cad uga dhigay sharci darro. Xitaa kadib markii ay sharci darro ahaayeen, muddo dheer, ma jirin waddo looga noqdo luqadda cinwaanada guryaha.

Sharciga Minnesota ayaa hadda u oggolaanaya milkiilayaasha guryaha inay ka saaraan luqadda ceebta iyo takoorka cinwaanada guryaha. Marka loo eego mashruuca Jaamicadda Minnesota ee

Mapping Prejudice, qiyaastii 2,800 guryaha la degan yahay ee Edina waxay leeyihiin heshiisyo cunsuriyad xaddidan oo ku saabsan falalkooda. Dhowr guri oo ay leedahay Magaalada ayaa iyaguna sidoo kale leh.

Si loo muujiyo in Edina ay soo dhaweyneysa dadka oo dhan kana shaqeyneysa isbeddelada nidaamka ee natiijooyinka loo siman yahay, Magaaladu waxay ka shaqeyneysaa inay ka soo saarto axdiyadeeda dhismahaada waxayna ku dhiirrigelineysaa deganayaasha inay sidaas oo kale sameeyaan

- Ka hubi aaladda Mapping Prejudice bit.ly/EdinaRacialCovenants si aad u aragto haddii axdi laga helay ficilkaaga.
- Haddii axdi xaddidan uu ka jiro gurigaaga, kireyso shirkaddaada cinwaanka si aad uga saarto warqaddaada guriga. Ogsoonow in khidmadaha ay kala duwan yihiin.

Magaaladu waxay kubiiri doontaa Mashruuca Just Deeds si ay uga caawiso milkiilayaasha guryaha ee ubaahan adeegyo sharci iyo cinwaan bilaash ah inay ku qabtaan shaqadan. Ilaa hadda, 10 magaalo oo kale oo Minnesota

ah ayaa qayb ka ah mashruucan, oo ay ka mid yihiin Golden Valley, Robbinsdale, New Hope, Crystal, Minnetonka, Minneapolis, Hopkins, Rochester, St. Louis Park iyo Richfield. Tan iyo markii la aasaasay, Mashruuca Just Deeds wuxuu si bilaash ah uga soo saaray 101 axdi.

*Si aad ula socotid shaqada ka saarida axdiyada midab-takoorka ee Edina, iska qor E-maylada Hormarinta Jinsiga & Sinaanta ee hoos timaadda "Dawladda Magaalada" ee EdinaMN.gov/CityExtra. # Magaaladu waxay ka shaqaysaa inay soosaarto Qorshe Hawleed Cimilo ee ugu horreeya

## Dadka Deegaanka Ayaa Lagu Dhiiri Galiyay Inay Kaqaybqaataan Xog-uruuntan

EE KAITLIN GAULT

5-tii Abriil, Magaalooyinka Mataanaha ah waxay taariikhdaa dhigeen rikoor aad u sarreeya oo ah darajada 83. In kasta oo maalinta kulul ay ahayd isbeddel soo dhaweyn ah dad badan kadib qabowgii qaboobaa, heerkulka aan caadiga ahayn ee heerkulka sare wuxuu muujinayaa cimilo isbeddeleysa.

Si wax looga qabto caqabadda isbeddelka cimilada, Magaalada Edina waxay horumarinaysaa Qorsheheeda Waxqabadka Cimilada ee ugu horreeya.

Qorshuhu wuxuu ka caawin doonaa kuwa ku nool kana shaqeeya Edina inay maleeyaan oo ay gaaraan mustaqbal ay ku noolaadaan Dhulka iyo inta ku nool.

Koox ka kooban wakiilo ka socda bulshada, xubno ka socda Guddiga Tamarta & Deegaanka (EEC) iyo shaqaalaha Magaalada ayaa ka shaqeyn doona qorshaha sanadka oo dhan 2021. Shaqada waxaa fududeeyay lataliyaha paleBLUedot.

Guddoomiyaha Guddiga Tamarta & Deegaanka Hilda Martinez ayaa qeexday sida ku lug lahaanshaha guddiga uu gacan uga geysan doono natiijada qorshaha.

"Ku lug lahaanshaha EEC wuxuu guddiga siin doonaa fursad ay ku aqoonsadaan, mudnaanta u siiyaan oo ay dib ugu eegaan ficilada kala duwan iyo istaraatiijiyadaha ka mid noqon lahaa qorshaha," ayay tiri. "Kaqeybgalka komishanku wuxuu kaloo gacan ka gaysan karaa in aragtida bulshada ee hannaanka."

Himilooyinka Magaalada hada waa in la yareeyo qiiqa gaaska lagu sii daayo magaalada oo dhan 30 boqolkiiba 2025 iyo 80 boqolkiiba 2050 iyo in la sameeyo ficillo lagu xoojinayo adkeysiga bulshada iyo la qabsiga isbedelka cimilada.

Isuduwaha Joogtaynta Grace Hancock ayaa aaminsan in abuurista qorshaha hadda ay muhiim tahay.

"Horumarinta qorshaha hada waxay bixin doontaa waddo cad oo dib loogu qiimeeyo laguna gaaro hadafyadeena," ayay tiri. "Hadafyo ayaan horey u laheyn hada kahor, laakiin ma aanan helin talaabooyin waxqabad oo aan halkaas ku tagno. "

Waxay sidoo kale carabka ku adkeysay sida isbedelka cimilada uu saameyn ugu yeesho wax walbo oo dadku jecel yihiin oo ku saabsan ku noolaanshaha iyo ka shaqeynta Edina.

"Cimilada Minnesota horay ayey uga duwaneyd, waxaana fileynaa jawi diiran, oo qoyan oo aan la saadaalin karin," ayuu yiri Hancock. "Tani waxay saameyneysaa harooyinkayaga iyo jidadka biyo mareenka ah, geedaha iyo meelaha cagaaran, iyo dhammaan dhirta iyo xayawaannada ugu yeera guriga Minnesota. Magaalo weyn ahaan, waxaan sidoo kale khatar weyn ugu jirnaa daadad socod badan leh iyo saameynta jasiiradda kuleylka magaaloooyinka. Saameyntani waxay ka dhigan tahay in magaaloooyinku ay ka sii kululaanayaan meelaha ku hareeraysan maxaa yeelay waxaan leenahay laami aad u badan oo qaada kuleylka iyo howlaha kuwa ku dhow dhow. Waxaan u baahanahay inaan sii wadajir ah u shaqeyno si Edina ay u horumarto. "

Kuwa ku nool kana shaqeeya Edina waxaa lagu dhiirrigelinayaa inay dhammaystiraan xog-ururintan kooban kahor 6-da Juun ee BetterTogetherEdina.org/climate-action-plan si ay ula wadaagaan sida ay ula kulmaan dabeecadda Edina iyo wixii walaac ah ee ay ka qabaan mustaqbalka. Si aad uga buuxiso xogururinta telefoonka, kala xiriir Hancock lambarka 952-826-1621. Xog-ururint ku qoran Isbaanishka iyo Soomaaliga waxaa lagala soo degi karaa BetterTogetherEdina.org ama boosta ayaa lagu soo diri karaa markii la codsado.

Ku sameynta qorshaha wax ku biirinta bulshada waxay muhiim u tahay dhamaan dadka ka shaqeeya daaha gadaashiisa si loo hubiyo in sinaanta ay safka hore kaga jirto.

"Isbeddelka cimilada si siman looguma kulmin dhammaan dadka deggan iyo kooxaha shaqada," ayuu yiri Hancock. Dadka dakhligoodu hooseeyo ee aan awoodin inay daadadka ka caabiyaan guryahooda ama bixiyaan biilasha tamarta sare ee heer kulka oo la saadaalin karo awgeed ayaa halis ugu jira saameynta isbeddelka cimilada. Waxaan dooneynaa in aan ku darno aragtida xubnaha bulshada qorshaha laftiisa waana sababta aan u qaadaneyno qaab bulsho-horay loogu socdo oo qorshaha ah. "

Martinez wuxuu ku celiyey muhiimada ay leedahay kaqeybgalka bulshada inta lagu gudajiro qorshaha.

"Ka qayb qaadashada dhammaan xubnaha bulshada ayaa fure u ah horumarinta qorshaha, maaddama ficilada / siyaasada la fulin doono qayb ka mid ah ay saameyn ku yeelan doonto habka ay bulshada u nooshahay iyo ganacsiyada u shaqeynayaan," ayay tiri. "Waa muhiim inay qayb ka yihiin howsha bilowgii, waana sii wadaynaa inaan maqalno fikradahooda inta howsha socoto oo dhan."

Guddiga Tamarta & Deegaanka ee Magaalada ayaa rajeynaya inuu kula taliyo dhameystirka Qorshe Hawleedka Cimilada Golaha Magaalada Diisambar. Hirgelinta qorshahan ayaa la filayaa inuu bilaabmo horaanta 2022.

## Magaaladu horay ayey ugu socotaa iyada oo la qorsheynayo kaabayaasha Morningside Neighborhoods

In kasta oo daadadka guryaha gaarka loo leeyahay iyo halista guryaha aan lagu baabi'in doonin horumarintaan, haddana si weyn baa loo dhimi doonaa.

Goluhu wuxuu kaloo ansixiyay heshiis \$ 1.2 milyan ah oo lala galay Barr Engineering si loogu bixiyo adeegyada injineernimada ee mashruuca. Ka sokow ka shaqeynta nashqadaha ay soo saartay Barr Engineering, shaqaalaha magaalada ayaa hoggaamin doona dadaallada ka qaybgalka dadweynaha si ay uga helaan jawaab celin ku saabsan xulashooyinka dhirta la xiriira mashruuca.
