

## Qorshaynta Taxaddarku waxay Ka caawisaa Magaalada inay iska Ilaaliso Dhaqaale ku dhaca COVID-19

### Istaraatiijiyadda oo ay ka mid yihiin Goynta, Maalgashiga iyo Abuuritaanka Xasilinta Maaliyadeed

EE DEBBIE TOWNSEND

Qorshaynta taxaddarka leh, maal-gashiga cajiibka ah iyo rabitaanka Edina ee ah meel lagu noolaado oo laga shaqeeyo ayaa ka caawisay Magaalada cimilada duufaanka dhaqaale ee ku yimid COVID-19 faafa.

Markii coronavirus uu bilaabay inuu xiro nololaha caadiga ah, Agaasimaha Maaliyadda Don Uram ma uusan hubin waxa laga filan karo. Xeerka Gargaarka Coronavirus, Raysashada iyo Badbaadada (CARES) ee federaalka markii hore kuma jirin lacag lagu kaalmeeyo dawladda hoose. Uram wuxuu dareemay kalsooni saldhigga canshuuraha ee Magaalada, oo ugu horreyn ku saleysan qiyamka hantida, ay yareyn doonto hoos u dhaca dhaqaale. Sidaas oo ay tahay, wuxuu ku taliyay in la yareeyo kharashyada, iyadoo la raacayo fikradda Maareeyaha Magaalada Scott Neal ee ah in la abuurto Sanduuqa Xasilinta Miisaaniyadda.

"Waligeen kama fileynin inaan helno lacag CARES, sidaa darteed waxaan u qorsheynay sidii inaan heli doonin," ayay tiri Uram.

In kasta oo bulshooyinka sida weyn ugu tiirsanaa dalxiiska ama tafaariiqda / ganacsiga ay isku arkeen dhibaato xagga maaliyadda ah, haddana saldhigga canshuuraha Edina dhab ahaantii wuu koray. Qiimaha hantida ayaa kor u kacay, badankood 1 ilaa 5 boqolkiiba, oo kaliya guryaha ganacsiga ay hoos u dhacaan, sida ku xusan Warbixinta Qiimeynta 2021. Doonista beeshu waxay ilaalisay qiyamka hantida oo xoog badan waxayna gacan ka gaysatay dhiirigelinta mashaariicda dhismaha, oo waliba keenay liisanka iyo u oggolaanshaha dakhliga si ka sareysa filashooyinka.

Istaraatiijiyadda maalgashiga ee Uram waxay ku dartay \$ 450,000 kale oo ka sarreeya miisaaniyadda. "Sida had iyo jeer, Don waxay dhaaftay filashooyinka dakhliga maalgashiga," ayuu yiri Kaaliyaha Agaasimaha Dhaqaalaha Kyle Sawyer.

Xiritaanka khasabka ah ee COVID-19-ee xarumaha sida Braemar Arena iyo Edinborough Park ayaa dhimay kharashyada, laakiin sidoo kale dakhliyada. Shaqaaluhu wali waxay haysteen dayactir ay kudhaqaaqaan, waxayna ka shaqeeyeen xarunta iyo barnaamijyada wax laga beddelayo si ay u bixiyaan waxqabadyo sida ugu dhakhsaha badan ee sharciyada loo ogolyahay. Dukaammada Edina Liquor waxay ahayd inay u dhawaadaan dadka soo booqda, laakiin bixinta guryaha ayaa si aad ah kor ugu kacday, lacagna keentay.

\$ 2 milyan oo laga jaray miisaaniyadda Sanduuqa Guud waxay haysay kharashyada aan ahayn COVID-19. Lacagtii aan la fileyn ee CARES ayaa dabooley dhammaan kharashyada la xiriira COVID-19.

Sanduuqa Xasilinta Miisaaniyadda, oo laga sameeyay guud ahaan sanduuqyadii sanduuqa guud iyo lacag markii hore loogu talagalay mashaariicda dib loo dhigi karo ama dib loo eegi karo, waxay ku dhammaatay weligood inaan loo baahnayn - ugu yaraan weli ma ahan.

"Waxay bixin doontaa dabacsanaan iyo fursado loogu talagalay dadaallada gaarka ah ama haddii ay dhacdo xaalad kale sida aafada," ayuu yiri Uram.

EE DEBBIE TOWNSEND

Sannadkii ugu horreeyay ee dadka deggan Edina ay dib-u warshadaynta diirka muuska, xoqidda saxanka iyo sanaadiqda gaarsiinta pizza-da waxay muujiyeen natiijooyin la taaban karo.

"Tani waa 100 boqolkiiba alaabada dib loo warshadeeyay ee haraagaaga cuntada ah, "ayay tiri Isuduwaha Dib-u-warshadaynta Dabiiciga ee Twila Singh.

Taasina waa kaliya boqolkiiba 30 xadiga kaqeybgalka, taas oo ahayd hadafka Magaalada sanadka ugu horeeya ee barnaamijka. Dib u warshadaynta Aluminium, warqad iyo quraaradaha waxay u bilaabmeen si isku mid ah isla tobannaan sano kahor,

Singh wuxuu rajaynayaa in aysan ku qaadan doonin muddo dheer inta ay dabiicigu ku garaacayaan isla 90 boqolkiiba kaqeybgalka.

Haddii aysan wax kale ahayn, dadku waa inay eegaan kaydinta kharashka, ayuu yiri Singh. Soo qaadista qashinku way sii kordheysaa, kaasatan meelaha qashinka lagu shubo oo noqda mid qiimo leh. Deganayaashu waxay dib-u-warshadaynta karaan dhammaan dabiiciyada ay rabaan \$ 5.50 bishii, taasoo yareyneysa cabbirka iyo kharashka qashinkooda. Ogaanshaha waxa aadi kara iyo waxa aadi karin qashinka orgaanikada sidoo kale waa muhiim: Orgaanikyada nadiifka ah kharashka way yareeyaan.

Ka-noqoshada bilowga ah ee dib-u-warshadaynta orgaanikga ayaa si tartiib tartiib ah u sii yaraanaya. Toddobaad kasta, dadku waxay wacaan Singh iyagoo weydiisanaya gaari khashinka dabiiciga ay diideen, badanaa markay arkeen sida fudud ee deriska u qaateen dhaqankan.

"Waxaan soo marnay dhowr ururo guryo / dhismeyaal dabaqyo ah oo aan ka mid ahayn barnaamijka ugu horreeyay laakiin si iskood ah u doortay inay tan u tijaabiyaan dadka deggan, tanina waxay u weecanaysaa dhanka saxda ah," ayuu yiri Singh.

# Oggolaanshaha Dhismaha oo aad u Sareya si loo Diiwaan Galiyo Meelaha Sare Inkasta oo uu faafa yahay

In kabadan 4,000 oo Ogolaansho ah ayaa lasiiyey sanadka 2020

EE DAN REISIG

Ma ahayn fikirkaaga - waxaa jiray dhisme ka badan intii hore ee Edina intii lagu jiray sanadka 2020.

In kasta oo uu faafaa, Magaalada Edina waxay dhigtay rikoodh ruqsadaha dhismaha ee la soo saaray sanad gudihiis. Wadar dhan 4,135 oo rukhsad dhisme ah ayaa la bixiyey, oo ka kooban qiimeyn guud oo ah \$ 357,710,785 - boodbootin ku dhowaad 68 boqolkiiba sanadkii ka horreeyay.

"Wadartaas waxaa ka mid ah saqafada, siding-ka, daaqaadaha, wax lagu daro, dhammaystirka guryaha - ku dhowaad wax kasta oo qof walba ku sameeyo guri inta badan," ayuu yiri Madaxa Rasmiga ah ee Dhismaha David Fisher. "Waxaa jiray dad raba inay guryahooda ku hagaajiyaan, maxaa yeelay waqti ayeey haysteen gurigana way ku sii jireen. Intaa waxaa sii dheer, waxaan haysanay tan dayactir ah oo saqaf ah roobkii dhagaxyada lahaa awgood. "

Wadarta guud ee 2020 waxay matalayaan kobac ka sareeya kii hore ee 2018. Sanadkaas waxaa la

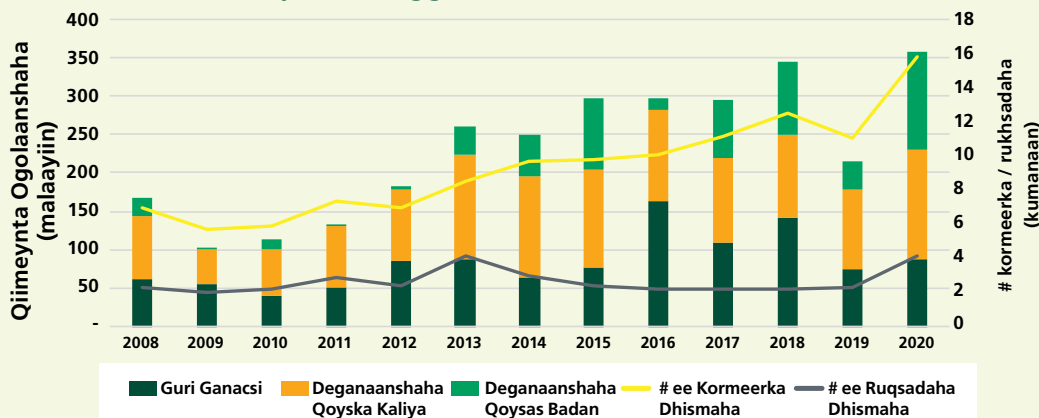

arkay isla tirada guud ee ruqsadaha dhismaha oo la soo saaray sida 2019 - 2,168 - laakiin qiimeyn aad u saraysa leh ayaa ka jirta meelaha qoyska iyo ganacsiga / warshadaha. Dhammaan ayaa loo sheegay, sanadkii la soo dhaafay waxay arkeen boqolkiiba 4 inay ka boodayaan wax ka badan \$344 milyan oo lagu qiimeeyay 2018.

Fiirinta dhow ee tirooyinka laga soo bilaabo 2020 waxay muujineysaa culeys culus xagga dhismaha guriga iyo dayactirka jira. In ka badan 4,000 oo ogolaansho guud ah, boqolkiiba 91.2 ayaa loogu talagalay hagaajinta guryaha qoysaska keliya, taasoo ka dhigan qiimeyn ku dhow \$144 milyan. Wadar dhan 76 guri oo cusub oo hal qoys ah ayaa la dhisay sanadkii la soo dhaafay, waxayna u dhigantaa \$52.7 milyan qiimaheeda, halka 110 ruqsadood oo qoysas fara badan laga soo saaray isku darka qiimaha ku dhowaad \$127 milyan. Ruqsadaha ganacsiga / warshadaha waxay matalayeen boqolkiiba 6 oo keliya wadarta rukhsadaha, laakiin boqolkiiba 24 wadarta qiimeynta.

## Qiimayaasha Oggolaanshaha Dhismaha Taariikhda

# Gaadhsiinta Edina Liquor wuxuu dardar galayaa sanadka 2020

Fikirka Degdegga ah iyo Dadaalka Kooxda ee Hawlgallada Caawiyay ee La Qabsanaya Dalabka Sare

**Adeegga gaarsiinta Edina Liquor wuxuu kacay sanadkii 2020, wuxuu soo saaray \$ 2.2 milyan oo iibka gaarsiinta ah oo keliya.** (Sawirka Scott Denfeld)

## EE KAITLIN GAULT

Sida ganacsiyada badankood ee shaqeyya inta lagu gudajiray Cudurka faafa ee COVID-19, Edina Liquor waxay u habaysay inay u adeegto macaamiisheeda, taasoo keentay in nambarda gudbinta ee rikoodh jabinta cidina aysan fileynin.

Edina Liquor waxay markii ugu horreysay ku dartay gaarsiinta hawlgalka May 1, 2019, leh koboc gaabis ah laakiin joogto ah. Lix bilood ka dib, adeegga cusubi wuxuu ku sii socdey si xoog leh iyadoo loo marayo 10-15 amarada bixinta maalin kasta.

"Markii aan ka soo baxnay rubuca afaraad ee 2019, waxaan aragnay koror xoog leh oo gaarsiin ah - gaar ahaan bilaha ciidaha," ayay tiri Maareeyaha Guud ee Edina Liquor Josh Furbish. "Markii aan nimid Janaayo ee 2020, taasi waxay ahayd calaamadii ugu horreysay ee adeegga gudbinta uu bilaabay inuu koro, Janaayo 2020-na way ka xoog badneyd sidii hore."

Wax yar ayay tagaanay Furbish, ganacsigooda gaarsiinta wuxuu ku socdaa inuu kor u kaco.

Bishii Maarso 2020, warar xan ah ayaa bilaabay inay wareegaan oo ku saabsan in Minnesota Gov. Tim Walz wuxuu dhawaan soo saari doonaa amar guri-joog ah si loo yareeyo faaftaanka COVID-19. Halka qaar u carareen dukaanka raashinka, qaar kalena waxay u carareen Edina Liquor.

Toddobaad ka hor amarka Walz, Waxaa jiray koror ku yimid iibinta iyo tafaariiqda labadaba, laakiin ka dib markii amarka la soo saaray, waxaan ku soconay xaddiga sida ciidaha," ayuu yidhi Furbish. "Waxaan ka amarnay 10 ilaa 15 amarada bixinta maalin walba 20 ilaa 40 malintii iyadoo dadku isu diyaariyeen inay hoy ka dhigtaan meesha."

Bishii Maarso 17, Magaaladu waxay hakisay howlaheeda tafaariiqda si aan xad lahayn. In kasta oo Edina Liquor albaabbadeedii jireed la xiray, Furbish

way ogayd inay u baahan yihiin inay sii wadaan u adeegida bulshada iyagoo ilaalinaya shaqaalaha iyo macaamiisha. Taasi waa markii ay wax runti mashquul noqdeen.

"Markii aan u wareegnay kaliya gaarsiinta macaamiishana loo sheegay in ay guryahooda joogaan, amaradayada keenista ayaa cirka isku shareertay!" Furbish ayaa tiri. Waxay ka timid 20-kii ilaa 40-kii amar ee maalinlaha ahaa ee ugu sarreeyay ilaa 150, ka dib 200, ka dibna 350 waxaanna ka sarreynay 465 amarro hal maalin oo ku dhow bartamaha Abriil.

Celceliska dalabka dukaanka ee sanadka 2020 wuxuu yimid \$34.14. Isku celceliska wadarta bixinta ayaa ahayd \$82.85.

Edina Liquor waxay lahayd hal darawal iyo hal gaari iyada oo lagu soo daadiyay amarrada bixinta. Furbish waxay u baahnayd inay si dhakhso leh ula qabsato si ay u bixiso heerka sare ee adeegga macaamiisha ee macaamiisha looga bartay. Wuxuu sidoo kale doonayay inuu sameeyo wax walba oo macquul ah si shaqaalihisa tafaariiqda ay ugu sii shaqeyyaan.

"Markii ay soo bilaabatay kor u qaadista alaabooyinka, istiraatiijiyaddeenu waxay ahayd in meydadka la helo, "ayuu yiri. Shaqaalaha tafaariiqda dhaqameed waxay u wareegeen amarada dirista gawaarida, taasoo naga caawisay inaan daboolno baahida oo aan dadkaas ku sii hayno shaqooyinkooda. Waxaan sidoo kale haysanay shaqaale tafaariiqda ah iyo shaqaale ka socda Edinborough Park iyo Park Maintenance oo taageeraya keenista dalabyada xirmooyinka. Aad ayaan ugu faraxsanahay in aanaan shaqaalihii ka aamusii jirin inta lagu jiro aafada waxaana awood u yeelanay inaan shaqaaleysiino shaqaale ka socda waaxyo kale. Waxaan leenahay macaamiisheenna si aan uga mahadcelino taas! "

Furbish waxay hal abuur ku sameysay gudaha iyadoo la gaartay waaxaha kale si ay u amaahdaan gawaarida. Sannadkii oo dhan, waxay adeegsadeen afar Toyota Priuses oo ka socda Qaybta Kormeerka Dhismaha iyo Toyota RAV4 oo ka socotay Waaxda Injineeriyadda. Wadar ahaan, 10 gaari ayaa soconay wadooyin si ay u maareeyaan mugga gaarsiinta. Waqtiga gaarsiinta bartilmaameedku wuxuu ahaa laba saacadood laga soo bilaabo markii amar lagu soo rogay waajibkaadka gacanta ku jira.

Hawlaha tafaariiqda ayaa dib u bilaabay sidii caadiga ahayd bishii Sibtambar 2020.

Wadarta dakhliga ka soo xarooda gaadhsiinta sanadkii 2020 wuxuu ahaa \$2.2 milyan oo la yaab leh. Lixdii bilood gaadhsiinta waxaa la bixiyey 2019, dakhliga ka soo xarooda gaadhsiintu wuxuu ahaa \$ 80,000. Furbish waxay rajeyneysaa inay sameeyso \$1 milyan ilaa

\$2 milyan oo gaadhsiin ah sanadka 2021 hada howlihii tafaariiqda ayaa dib loo furay.

Hawlgallada tafaariiqda ee dukaanka 2020 waxay arkeen dakhli dhan \$ 9.9 milyan, hoos u dhac weyn ayaa ka yimid \$ 13.5 milyan oo ay caadi ahaan ku dhacday. Wadarta dakhliga Edina Liquor laga soo bilaabo 2020 waxay ahayd \$ 12.1 milyan, hoos ayey uga dhacday \$ 13.9 milyan oo la saadaaliyay sababtoo ah howlaha tafaariiqda oo xirmay qeyb sanadka ka mid ah. In kasta oo waxoogaa lumay guud ahaan dakhliga, Edina Liquor waxay wali awoodday inay taageerto xarumaha shirkadaha magaalada iyo barnaamijyada bulshada.

"Edina, macaashka liquor waxaa loo isticmaalaa in lagu maal geliyo goobaha madadaalada ee Magaalada, oo ay ku jiraan Braemar Arena, Edina Art Center iyo kuwa kale," ayay tiri Kaaliyaha Maareeyaha Magaalada Lisa Schaefer. "Intii lagu guda jiray xiriirka COVID-19, maalgalintan ayaa xitaa ka sii darneyd xarumahaas. Shaqaalaha Liquor waxay ka dhigeen mid sahlan, laakiin guushooda waxay ku timid istiraatiijiyad cod leh, shaqo adag iyo awood ay si dhakhso leh dib ugu habeyn ugu sameeyaan howlahooda. Waxay iskaashi la sameeyeen waaxyaha kale ee Magaalada si loo hubiyo adeegyo aamin ah oo hufan ha noqoto mid shaqsi ah ama gaarsiin ah. "

Furbish waxay ku kalsoon tahay uqshadda dakhligii ka maqnaa sanadka 2020 dib loo soo celin doono sanadkaan casharadii laga bartayna ay ka caawin doonto inay gaaraan go'aamada mustaqbalka. Laga bilaabo May 2021, dakhliga dukaamada tafaariiqda iyo geynta labadaba waxay gaareen \$ 5.2 milyan. Isla mar ahaantaana sannadka 2020, waxay ahayd \$ 4 milyan iyo 2019 oo ahayd \$ 4.7 milyan.

"Waxaan dib u soo celinay gawaaridii aan ka isticmaali jirnay waaxyaha kale waxaana naloo ogolaaday inaan soo iibsano labo koronto oo Mitsubishi Outlanders ah si ay nooga caawiso taageerida adeegyaga iyo taageerida yoolalka qiqa kaarboonta ee Magaalada" ayuu yiri Furbish.

In kasta oo dakhliga iyo alaabtu ay muhiim u yihiin istiraatiijiyadda guud ee ganacsiga, haddana khibradaha macaamiisha ayaa ugu sarreeya.

Guud ahaan, jawaab celinta ayaa ahayd mid aad u wanaagsan. Dadka deegaanka ayaa nala soo xiriiray waxayna nooga mahadceliyeen sida aan u ilaalinay iyaga iyo shaqaalaheena. Waxay ahayd mid wanaagsan inaan maqalno iyaga, gaar ahaan xilli adag. "
