Deymo Qiimo Jaban Ayaa Loo Heli Karaa Si Loogu Hormariyo Guryaha Fudud

Milkiileyaasha Dakhli-u-qalma Ayaa Amaah Ku Bixin Kara Barnaamijka Dib-u-habaynta Lahaanshaha Guryaha

EE DAN REISIG

Dad badan oo milkiileyaal Edina ah ayaa ku xoojin kara guryahooda qiimo jaban, taas oo ay ugu wacan tahay Barnaamijka Dib-u-habaynta Lahaanshaha Guryaha ee Magaalada cusub. Amaahdu waxay u dhaxeysaa \$ 2,000 ilaa \$ 30,000 waxayna u saamaxaysaa hagaajinta guryaha milkiilaha daganyahay iyo dabaqyada qiimahoodu gaarayo \$ 425,000.

"Barnaamijka wuxuu u oggol yahay milkiileyaasha guryaha ee u-qalma dakhliga inay lacag ka amaahdaan Magaalada qiimo ka hooseeya kuwa ganacsiga si ay ugu sameeyaan mashruucyo dhaqan-celin guryahooda ah," ayay tiri Maareeyaha Horumarinta Guryeynta La-awoodi karo Stephanie Hawkinson. "Waa barnaamij si aad ah looga jecel yahay magaalooyin kale oo Minnesota ah wuxuuna na siinayaa fursad aan ku sii wadno sidii aan u ilaashan lahayn keydkeena qiimaha jaban iyadoo aan

si deg deg ah wax u siineyno milkiileyaasha guryaha hadda jooga."

Waxaa maamusha Xarunta Tamarta iyo Deegaanka ee Minnesota oo kaashanaysa Magaalada, barnaamijku wuxuu ku xaddidayaa dakhliga milkiilaha guriga boqolkiiba 125 ee Dakhliga Dhexe ee Aagga. Taasi waxay u dhigantaa \$105,000 qoys laba qof ah.

"Barnaamijka wuxuu u oggolaanayaa milkiileyaasha guryaha inay wax ka qabtaan arrimaha dayactirka iyagoo sii wadaya inay ku noolaadaan guryahooda qiimo yar ama aan qiimo lahayn, iyagoo sidoo kale u oggolaanaya arrimaha marin u helka in wax laga qabto," ayuu yiri Hawkinson.

Maxaa ka dhigaya amaahda mid soo jiidasho leh waa shuruudaha aadka u habboon - si fudud loo dhigo, ma jiraan wax lacag bixin bille ah inta milkiilaha halkaas ku nool yahay. Markuu diyaar u

yahay inuu iibiyo, mulkiiluhu wuxuu siin karaa Magaalada xuquuqdeeda koowaad ee diidmada.

Haddii Hay'adda Guryeynta & Dib-u-horumarinta ay doorato inay iibsato guriga, amaahda waa laga cafiyey. Haddii kale, qadarka guud ee amaahda oo lagu daray 2 boqolkiiba dulsaar aan fududeyn ayaa ku habboon iibinta.

"Si ka duwan Barnaamijkeenna Ilaalinta Guriyeynta - kaas oo u oggolaanaya lamaanayaasheenna guryaha la awoodi karo ee Homes Reach in ay si dhaqso leh u helaan guryo sida ay tahay - barnaamijka waxaa loogu talagalay milkiilaha guriga ee hadda jira in uu amaahdo lacag oo uu dib u habeeyo gurigiisa inta uu ku sii noolaanayo, illaa ay 'waxaan diyaar u ahay inaan iibiyo ama 30 sano, midkastoo ugu horeeya,' ayuu sharaxay Hawkinson.

Liis buuxa oo ah shuruudaha amaahda iyo Uqalmidda hagaajinta waxaa laga heli karaa EdinaMN.gov/ AffordableHousing.

Kharashka Dib U Dhiska Wadooyinka Oo Ay Qaadhaan Doonaan Dhamaan Canshuur Bixiyeyaasha

Marka la gaaro sanadka 2038, dib u dhiska wadooyinka Edina waxaa gabi ahaanba lagu bixin doonaa canshuuraha guryaha.

Laga soo bilaabo dhammaadkii 1990-meeyadii, milkiileyaasha guryaha ku dhow ayaa la qiimeeyay kharashyada dib-u-dhiska wadooyinka. Maaddaama qiyaasaha qiimeynta khaaska ah ay kordheen illaa iyo \$32,000, waxaa muuqatay in Magaalada laga yaabo in aysan qiil u sameyn karin waxtarka kharashka milkiile kasta sida uu dhigayo sharciga Minnesota. Guddi Maalgelinta Wadooyinka waxaa sameeyay Maamulaha Magaalada Scott Neal sannadka 2020 waxaana lagu eedeeyay inay dib u qiimeyn ku sameynayaan Siyaasadda Qiimeynta Gaarka ah.

Kulankoodii 21-kii Julaay, Golaha Magaalada Edina wuxuu ku ansixiyay talo soo jeedinta Guddi-howleedka in la yareeyo qiimeynta sannad kasta illaa ay ka gaarto qiimeyn sannadka 16aad. Natiijo ahaan, dhammaan canshuur-bixiyeyaasha waxay ku bixin doonaan canshuurta Magaalada dib-u-dhiska wadooyinka. Sanadka ugu horeeya, Canshuuraha Magaalada ee guryaha dhex dhexaadka ah ee qiimeeya waxay ku kordhin doonaan ugu yaraan \$40 maalgelinta dib-u-dhiska wadooyinka. Inta ka hartay 15-ka sano ee ku-meelgaarka ah, canshuurahaas waxay kordhi doonaan illaa \$11 sanadkii.

Waxaan isweydiyaa, 'Haddii aan wax ka bilaabi lahayn meel hoose, sidee ayaan sidan u yeeli lahayn?' Waxaan u maleynayaa in aan isla gaarnay in hadii aan wax ka bilaabi lahayn, aan ku sameyn lahayn 100% canshuuraha, "ayuu yiri xubin ka tirsan Golaha Kevin Staunton intii kulanka socday. - Fikradda ah in qiimeyn gaar ah la sameeyo ayaa ah in koox dad ah oo wax ka helayaan bulshada inteeda kale aysan bixin lacag dheeri ah taas. In kasta oo nuucaas oo kale uu halkan ka dhacayo, runti run maahan, maxaa yeelay ugu dambeyn qof walba ayaa dib loo dayactirayaa wadooyinka xaafaddooda. Marka, runti ma dareemeyso inay tahay wax ku habboon qiimeyn gaar ah. ... Waxaan u maleynayaa inay tani na gaarsiinayso meesha saxda ah. Waxaan u maleynayaa inay tani tahay jawaabta saxda ah. "

Hawlaha kale bishii hore, Golahu:

Barnaamijka Baadhitaanka Guryaha Kirada wuxuu Diirada saaraa Amniga

In kasta oo Awoodda Shaqsiyadeed ee Xaddidan, Shaqaalaha ayaa si guul leh u bilaabay Barnamij cusub

EE KAITLIN GAULT

Barnaamijka kormeerka guryaha kirada ee Magaalada Edina wuxuu bilaabmay dabayaaqadii 2019 si uu si firfircoon wax uga qabto badbaadada kiraystayaasha.

Kahor abuuritaanka barnamijka, markii Qaybta Caafimaadka ay heshay cabashooyin ku saabsan guryaha kirada ah, shaqaalaha waxaa loo diray kormeer. Hadda, milkiileyaasha guryaha ee doonaya inay kireystaan guryo badan oo qoysaskooda ah iyo guryo hal qoys leh, duplex, townhome ama kondho waa inay codsadaan shatiga kirada sannadlaha ah. Iyadoo loo marayo nidaamka ruqsad siinta, milkiileyaasha guryaha ayaa lagu wargelinayaa shuruudaha iyo nooca arrimaha ay tahay inay iska fiiriyaan si loo hubiyo u hoggaansanaanta xeerka dhismaha.

Maamulaha Caafimaadka Bulshada Jeff Brown ayaa sheegaya in kormeerka firfircoon ay qayb weyn ka yihiin guusha barnamijka cusub.

"Taariikh ahaan, Qeybta Caafimaadka waxay sameysay cabasho ku saleysan fulinta dayactirka hantida," ayuu yiri. "Waxaan ogaanay in bulshada hareeraheena ay bilaabeen inay shati siiyaan guryaha kirada si ay sifiican ugu kormeeraan arimaha aan wicitaanada kaheli karno, marka fikrada waa la soo saaray ugu dambeyntiina waa la qaatay. Waxaan isticmaalnaa isla lambarka, laakiin hadda waxaan la shaqeynaa milkiileyaasha guryaha si aan u sameyno kormeer firfircoon. "

Aidrous Ali, Kormeeraha Guryeynta ee Magaalada, wuxuu sheegay in barnamijku si xoog leh u bilowday bilowgii sanadka 2020.

"Waxaan ku guda jirnaa dardar fiican ilaa iyo inta uu musiibo caalami ah ka dhacday wax walbana ay isbadaleen bilowgii bartamihii bishii Maarso," Ali ayaa sharaxay. Ilaa dabayaaqadii dayirta, waxaan ku hakanay kormeerka kirada waxaanan kormeeri jirnaa guryaha banaan iyo xaaladaha degdegga ah. "

Baadhitaanka guryaha ayaa hakad la geliyey maxaa yeelay maalinta caadiga ah ee kormeeraha guriga ayaa ku lug leh booqashada 25 guri.

In kasta oo caqabadaha shaqsiyadeed ee COVID-19, Magaaladu ay dhammaystirtay 140 kormeerid ah sannadka 2020 waxayna soo saartay 685 shati oo loogu talagalay dhismayaasha hal qoys iyo qoysas badan.

Arimaha guud ee kormeerayaashu raadiyaan waxaa ka mid ah gacmaha la xiro ama waxyeello soo gaarto iyo meelaha korontada laga baxo, qiqa aan shaqeyn karin iyo qalabka baarista kaarboon monoksaydhka, foornooyinka sii xumaanaya iyo kuleyliyaha iyo qoryaha qaawan iyo diirka rinjiga dusha sare. Kormeeraha Guriyeynta Cabdullaahi Axmed wuxuu sheegayaa inuu isku dayayo inuu siiyo milkiileyaasha guryaha waqti ku filan oo ay ku saxaan ayna ku dhiirrigeliso u hoggaansamida inta ay sabrayaan.

"Waxaan u sharaxayaa inay helaan waqti ku filan

Kormeeraha Guryaha Caawiye Cali wuxuu hubiyaa tuubbo kiro ah. Isagu waa mid ka mid ah laba Kormeerayaal iyo Khabiir Ruqsad siinta ah oo gacan ka geystay in barnamijka cusub lagu guuleysto sanadka 2020 (Sawirka Scott Denfeld)

oo ay ku daweeyaan oo ay dayactir ku sameeyaan, xitaa markaasi waxay heli karaan waqti kordhin haddii ay mid u baahdaan," ayuu yiri Axmed. "Waxaan sidoo kale ku celinayaa iyaga in nabadgelyada deggenaashu ay tahay muhiimaddayada koowaad."

Baadhitaannadu hadda waxay dib ugu bilaabeen hawlhoodii caadiga ahaa.
